

LED R65 BEACONS

LAP have combined the latest LED technology with advanced optics to provide this unique ECE Reg 65 LED beacon. The powerful LEDs are arranged to produce a brilliant 360 degree flash pattern to provide superior light output for maximum visibility.

Main Features

- Double flash
- EMC approved (ECE R10)
- Voltage 10-30Vdc
- Robust design
- 70mph rated on magnetic versions
- Meets IP67 international protection standards
- Sealed for life against dust and moisture ingress
- Very low power consumption
- -30°C to +50°C extreme temperature reliability.

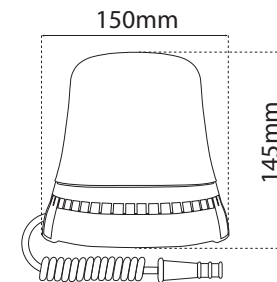

Manufactured in the U.K.
